Mr. Ioan ONISEI  
Acting General Director  
"I.L. Caragiale" National Theatre of Bucharest

September 07, 2021

The news of passing away of Maestro Ion CARAMITRU, the General Manager of "I.L. Caragiale" National Theatre of Bucharest and President of the Romanian Association of Theatre Artists (UNITER) have saddened us deeply.

Romania lost a great personality of arts, an Ambassador of theatre, poesy, film and radio. His prodigious activity on the stage and in the academic area inspired and will continue to inspire generations of people. I will not forget such a good friend who supported through his professionalism and dedication the promotion of the Japanese culture.

I had the opportunity to meet Maestro Caramitru in person and talk about cultural projects of common interest.

In these sad circumstances I express to you and all members of your staff my profound sympathy, being near of all of you in these days of mourning.

May his soul has the eternal peace and the family members find the necessary support for recovery in such a tragedy!

Near you in such sad circumstances,

Hiroshi UEDA  
Ambassador Extraordinary and Plenipotentiary  
of Japan to Romania
